A Division of TYM Group - Singapore

About Us

Thong Yong Ship Repairing is the ship repair division of Thong Yong Marine Services Group of Singapore. The ship repair division is dedicated to provide comprehensive ship care service to our clients. Strategically located at the prime marine location of Dubai Maritime City, TYM provides the full range of ship repair services from routine docking to full special surveys and conversions. Customer satisfaction and quality service is our mission. Our experienced team of ship care professionals are fully trained and committed to fulfill the mission.

Our Quality Policy

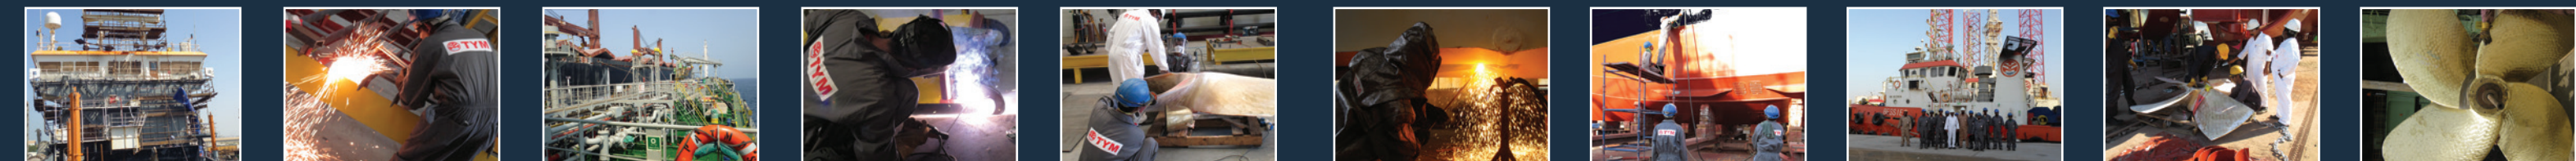

Thong Yong Ship Repairing's mission is to provide the highest level of service quality to meet the needs and expectations of our customers. To achieve this, we must understand our customers' requirement for high quality work, timely and safe completion and cost effectiveness.

TYM will adopt strict quality and HSE procedures to meet customer and classification standards. Our staff must be trained to understand customer requirements and must be flexible and service oriented to ensure that, all our customers walk away satisfied with our service.

Management is committed to drive this attitude from the top to bottom and at the same time grow this attitude from the ranks through adequate training and motivation.
